Top Speed:	37 knots	Material:	GRP (Single Skill Hull – Sandwich Deck)
Cruise Speed:	25 knots		

An incomparable boat, 11,2m in length with fold-down sides that expand the beam up to 4,2m. Fixed sundeck, dining table and a space in the bow with a table which you can also convert into a sundeck. Inside, two double beds, kitchen and full sink with 1,92m high. Can you ask for more? This boat is not leaving anyone indifferent.

# NUVA M11 OPEN

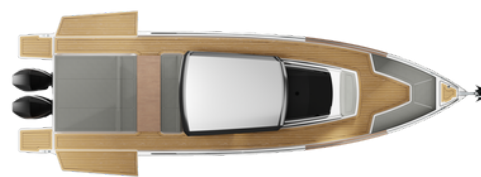

- ☾ Two double beds inside.
- ↔️ Fold-down sides beam up to 4,2m.
- ☀️ Up to three solariums.
- 🚿 A complete closed bathroom of 1,90m high.
- 🍳 Optional outdoor kitchen.
- ✂️ Designed and manufactured in Barcelona.

The overall length of 11,2m and the 2,99m beam convertible to 4,20m makes the space comparable to boats of larger lengths. Thanks to its open/walk-around format, the versatile M11 Open deck allows you to enjoy 2 huge sunbathing areas, one at the bow and one at the stern.

# NUVA M11 OPEN

With the solid composite structure of the Hard Top you'll have a permanent roof, ideal for when you're driving. This NUVA M11 Open has something impressive: huge fold-down platforms on each side, enlarging the space from 2.99m to 4.20m
